- Throughout the disciplinary process, we shall monitor, document, and provide students with ongoing support to focus (whether through the school counselor or the in-school specialist) and other forms of support (e.g., social worker), as required, throughout the disciplinary process.
- We shall deal with misconduct that can be categorized as maltreatment (e.g., physical abuse, bullying, sexual abuse) in line with the maltreatment reporting procedure in the *Handling Student Maltreatment Concerns within Educational Institutions* (DAA Child Protection Committee, 2024).
- We shall involve law enforcement authorities as appropriate where misconduct is illegal as per the latest applicable laws in the UAE.
- We shall ensure that, where disciplinary procedures are being exercised in relation to students with additional learning needs, the Head of Inclusion shall be consulted to determine appropriate disciplinary action.
- We shall ensure that any underlying special educational needs affecting behavioral regulation are considered in determining appropriate disciplinary action.
- We shall develop a Documented Learning Plan (DLP) and/or Risk Assessment to manage instances where students with additional learning needs cannot regulate their behavior in a similar manner to their peers due to an underlying need.
- We shall provide sufficient guidance to students to ensure continued learning during supervised detention and/or suspension periods.
- As there is an obligation to re-enroll all students as per the *ADEK School Student Administrative Affairs Policy*, where a school fails to re-enroll a student who has faced disciplinary action in

the previous year, this is classified as expulsion. Schools shall therefore seek approval from ADEK (see Section 4.9 Approval for Expulsion).

- b. We shall support students in exercising their right to seek advice and support during suspension or supervised detention.

- If the school does not respond to the appeal within 3 working days or the parent rejects the school's final decision, the parent shall be entitled to log a complaint to ADEK within 5 working days.
- ADEK reserves the right to investigate any complaint in conjunction with suspension and expulsion following the school's final decision, but not prior to it, unless the school has not issued its final decision within the timeframe stipulated.

4.8 Positive Handling: We are authorized in certain circumstances, in order to maintain good order, to physically intervene to prevent students from harming themselves or others and allow staff to use reasonable force.

- When choosing to restrain a student, all other options shall initially be considered, and positive handling shall be the last resort in managing situations. We are authorized to use positive handling to protect students, in circumstances such as to prevent students from:
 - a. Leaving the classroom or school premises, where allowing the student to leave would risk their safety and/or that of others.
 - b. Injuring themselves and/or others.
 - c. Damaging property.
- Any response to extreme behavior should be reasonable and proportionate, and conducted with minimal usage of physical force and staff shall consider the risks and carefully consider any vulnerabilities of the student (e.g., vision and hearing impairment, mobility restrictions, mental health needs, medical conditions). Such conduct shall only be in accordance with the following:
 - a. The student should be in immediate danger of harming themselves and/or others.
 - b. The member of staff should have good grounds for believing this.
 - c. Only the minimum force necessary to prevent injury or damage should be applied.
 - d. Every effort should be made to secure the presence of other staff before positively handling a student, for the purpose of securing assistance or witnesses.
 - e. Once the situation is deemed to be no longer dangerous, the student should be allowed to regain self-control.
- We are prohibited from using force as a form of punishment, which constitutes maltreatment, in line with the *ADEK School Student Protection Policy*. This is considered unlawful.

4.9 Records: We shall keep a record of any student misconduct and actions taken by the school including root cause analyses, meetings with concerned stakeholders, intervention measures, observations of student behavioral progress, disciplinary procedures, communications (e.g., written warnings, appeals), etc.

- Level 1 misconduct shall be recorded only at the class level by the teacher (unless systems are impacted, such as lateness). The misconduct may be added to the student's file or performance report where it is repeated, or where escalation is required.
- Level 2, 3, and 4 misconduct shall be recorded at the school level by the administration. All level 2 (on/offsite suspensions and expulsions), 3, and 4 misconduct shall be reported to ADEK.
- Schools, ADEK, and any social care support providers (e.g., social workers, and counselors) shall treat all information about students' behavior as strictly confidential.

4.10 Approval for Expulsion: We shall seek ADEK's approval to expel a student. In making an application to ADEK, schools must provide evidence that their internal procedures have been adhered to, and these procedures are no stricter than those set out in this policy.

- At the end of each academic year, schools shall share a list of students at risk of expulsion with ADEK, along with the history of misconduct and all intervention strategies used to deal with the misconduct.

5. Bullying Prevention

5.1 Policy Requirements: We shall develop a Bullying Prevention Policy in line with the Ministerial Resolution No. (645) of 2020 on the Policy of Preventing Bullying in Private and Public Schools that Follow the Ministry's Curriculum (MoE, 2022), and in line with the *ADEK School Student Protection Policy*. This policy shall:

- Set out the provisions for educating students and staff on how to identify bullying.
- Establish bullying prevention strategies by developing a school-wide antibullying program including recognizing vulnerabilities for students with additional learning needs.
- Clarify steps students should take when confronted with bullying behavior when they are in the position of someone who is being bullied, who is bullying, and who is witnessing the bullying.
- Set out procedures for staff to deal with bullying behavior.
- Describe the support and interventions provided by the school for any student identified as a victim or perpetrator of bullying (see Section 6. Support and Interventions) and in line with the *ADEK School Student Administrative Affairs Policy*.
- Set out the disciplinary procedures that may be taken to address instances of bullying (see Section 4. Misconduct Policy and Procedure).

5.2 Monitoring: We shall establish systems to track and monitor instances of bullying (including frequency and severity).

6. Absence

6.1 We shall identify students as a "cause for concern" depending on absence rates, in line with the *ADEK School Student Administrative Affairs Policy*.

6.2 Upon identification, we shall determine if the student is at educational risk, in line with the *ADEK School Educational Risk Policy*, or as being potential subjects of maltreatment (neglect), in line with the *ADEK School Student Protection Policy*. Accordingly, schools are authorized to further escalate actions and develop intervention plans, in line with the *ADEK School Educational Risk Policy* and the *ADEK School Student Protection Policy*, respectively.

Support and Interventions

6.3 Support and Interventions: We shall provide appropriate, focused, and supportive student-centric interventions to students who have been identified as either engaging in behaviors of concern, misconduct, or deemed to be at risk of engaging in behaviors of concern. This includes:

- Needs analysis for causality as well as the extent of need, wherein a tiered model of support response is provided to the student, in line with the *ADEK School Inclusion Policy* and *ADEK School Educational Risk Policy*.
- The provision of professional support to address the specific needs of the student, including counseling, in line with the *ADEK School Student Mental Health Policy*. This support shall involve engagement with parents and other relevant stakeholders (e.g., teachers) where appropriate, as well as ongoing monitoring of student progress.
- Referral to external specialists to provide intensive, individualized, and longterm support. Where such support is provided, parents shall monitor the student's progress and periodically update a staff member nominated by the school. The staff member is authorized to share this information with relevant stakeholders on a need basis.

6.4 In cases where student misconduct has been identified, we shall take disciplinary action as appropriate and in line with the school's Misconduct Policy and Procedures (see Section 4. Misconduct Policy and Procedures), alongside any interventions.

6.5 We shall ensure that any support and intervention to address a student's behavior shall not reduce or replace the support available to students with additional learning needs, as outlined in their DLP. We shall develop and implement referral structures, in line with the *ADEK School Student Mental Health Policy*.

- We shall encourage students and teachers to identify signs of behaviors of concern in students and report them to the school administration via these structures. Where such signs are identified and reported, schools shall inform the student's parents, except in cases where not reporting to parents is in the best interest of the student (such as suspected maltreatment in home settings).

7. Searching, Screening, and Confiscation

7.1 Where staff and/or students are at immediate risk, principals and staff delegated by the principal are authorized to search, screen, and/or confiscate a student's possessions if they have reasonable grounds or cause to suspect that the student may be in possession of an illicit item. We are also authorized to use metal detectors and mobile phone jammers, if required.
